

## Feeling nervous about your Biology lab report?

Need to review the requirements? Need to find and read research studies?

## Help is available – *Workshop developed just for YOU*

Supports lab report assignments in Biology & Microbiology courses

<b>Understanding the Biology Lab Report *NEW!*</b> Library Research Workshop * Fall Semester 2015 Location: Library 6-238		
October 1	Thursday	11:45 a.m. – 1:00 p.m.
October 5	Monday	11:45 a.m. – 1:00 p.m.
October 8	Thursday	1:30 p.m. – 2:45 p.m.
October 12	Monday	1:30 p.m. – 2:45 p.m.

## What will you learn?

After attending this workshop, students will be able to:

- Analyze lab report requirements
- Read research studies published in academic journals
- Find research studies via a database, *ProQuest Biology Journals*

## Are you ready to sign up?

Library workshops are held in Library 6-238. Registration is limited to 30 students per workshop. Register at: <http://mtsac.libguides.com/workshops>.

## Do you still have questions?

Contact Emily Woolery, Librarian, at: (909) 274-4264 or [ewoolery@mtsac.edu](mailto:ewoolery@mtsac.edu).
