

**Educational Goals Worksheet**

**Point of the Assignment:** To help you make educational goals based on what you have learned about yourself and how higher education works.

You have received a lot of information to help you understand how the education system works, and how it relates to your career goals. You will now take what you have learned about education in the class to establish realistic and appropriate educational goals. By now, you should understand that while your goals may be attainable, they will not be reached without planning, sacrifice and self-discipline. Write down what you have learned about the following:

**About Yourself**

1. **Your learning styles, talents, needs, desires, strengths and weaknesses, etc.**

---

---

2. **About your motivation (Ticket to a Job, Jumping Through Hoops, Seeking Knowledge and Truth, or any combination thereof)**

---

---

3. **Your career goals/interests**

---

---

**About Education**

4. **What types of schools are available to you?**

---

---

5. **What type(s) of school(s) would best suit your educational objectives?**

---

---

6. **What type(s) of school(s) will best suit your learning styles?**
