Online Scavenger Hunt

Complete the following tasks (15 points):

1. Log in to your MyMtSAC account, click on the E-Learning Tools tab at the top, then the Access Moodlerooms link, then the link to DSPS 33, and the link for Announcements. Read the first Announcement. What is my opening sentence?

2. I’ve attached a document to that Announcement. Open it. What is it? __________________

3. Find the Assignments topic. How many can you access so far? _____

4. Click on Grades (lower left). What is something that will be graded? ______________

5. Click on the Instructor’s Web Page topic. You can use Moodle or direct access to get here. What are the open hours of the Accessible Technology Center? __________________________

6. Stay on the Instructor’s Web Page. Look at the Main Menu (left side). What are the three types of Handouts available? 1) __________________ 2) __________________ 3) __________________

7. Click on Strategy Handouts. Find MLS Descriptions & Suggestions, print & bring it next Mon/Tues.

8. Look at the other Strategy Handouts. Choose two strategy handouts that interest you.
   a. Handout title: __________________ Why is it interesting to you? __________________
   b. Handout title: __________________ Why is it interesting to you? __________________

9. Go to the Math Handouts page. The solid buttons on the right are subtopics. Find three different handouts from different pages (at least one from a subtopic) and evaluate them.
   a. Handout title: __________________ Why will it help you? __________________
   b. Handout title: __________________ Why will it help you? __________________
   c. Handout title: __________________ Why will it help you? __________________

10. What’s different about the strategy handouts vs the math handouts? __________________

11. E-mail me from your MtSAC e-mail to tell me you’re done. Be sure to include your last name, DSPS 33, and either MW or TTh on the subject line of any e-mail you send me. (2 pts)

Turn in this page only.
