

Stanley,

I wish "Thank You" would be enough for what you have done for me... I am so glad you & your kids were able to celebrate such an important moment for me. Graduation!

Your continuous support has encouraged me & I hope you will be there to see me continue on to even bigger & better things. Thanks Again !!

P.S. My family & friends loved you & your kids, we hope we may meet your wife soon.

Sincerely,
Your student
