Hello Mr. Mbuti,

This is Stephanie Wong. I was a student at Mt. SAC and you helped me out with my transfers and degrees nearly two years ago. We were just looking over my credits to see what degree I can get and instead you found that I had enough credit to transfer with three two-year degrees. I was cleaning my room and found your card that reminded me to let you know how everything turned out.

I have been a student at CSUF for a year now. After completing my courses next fall, I will receive my English B.A. degree. After that, I will continue to get my Communications/Journalism degree also. Things are working out greatly, Fullerton' is a really nice school.

Thank you for all your help and advice. You were a great teacher and counselor and really helped me out. Take care, I wish you the best in all you do and enjoy your summer :).
